

Dynamic performance comes to us naturally.

QIK JOE ICE MELT CALCIUM CHLORIDE PELLETS

-25°

- The most effective deicer on the market
- Generates heat on contact
- Spherical shape bores straight down through ice
- No powdery white residue
- Safer on grass, shrubs, plants and concrete when used as directed
- 9 lb. easy-pour shakers, 10, 20, 50 and 80 lb. poly bags, 40 lb. plastic pails, 50 lb. cartons, 100 lb. Enviro-drums

Pelad^{ow}™ CALCIUM CHLORIDE PELLETS

-25°

- The most effective deicer on the market
- Generates heat on contact
- Spherical shape bores straight down through ice
- No powdery white residue
- Safer on grass, shrubs, plants and concrete when used as directed
- 50 lb. pail and 50 lb. poly bags

MOUNTAIN PASS ICE MELTER

-10°

- High Performance Magnesium Blend melts at lower temperature
- Magnesium encapsulated medium grade solar salt enhanced with heat-generating magnesium chloride crystals
- Formulated with a green color indicator for even coverage
- Safer for the environment
- 40 lb. poly bags, 50 lb. carton, and 2,000 lb. supersack

QUAD*^MMELT W/CMA

0°

- Formulated using Quadramax technology to maximize product performance and safety
- Non toxic, propylene glycol encapsulated blue/green medium grade solar salt enhanced with CMA (Calcium Magnesium Acetate).
- Melts ice on contact
- Low corrosive properties
- 50 lb. poly bags, 50 lb. carton, and 2,000 lb. supersack

SAFE PET ICE MELTER PROVEN SAFE FOR PETS

0°

- Environmentally friendly
- Non-toxic Propylene glycol encapsulated urea
- Formulated with a blue green color indicator for even coverage
- For use on sidewalks, driveways, and parking areas
- Non-corrosive
- Prevents ice and snow from re-bonding
- Will not burn or cause irritation to paws or pet's digestive system
- 8 lb. Easy-pour shaker, 20 lb. poly bags, and 2,000 lb. supersack

HOT STUFF ICE AND SNOW MELTER CALCIUM CHLORIDE FLAKE

-25°

- Highly effective snow and ice control
- Generates heat on contact
- Small "cornflake" shape melts ice horizontally
- No powdery white residue
- Safer on grass, shrubs, plants and concrete
- 10, 20, 50 and 100 lb. poly bags, and 2,000 lb. supersack

POLAR EXPRESS ICE MELT HIGH PERFORMANCE BLEND

-15°

- High Performance Calcium Blend melts at lower temperatures
- Calcium encapsulated medium grade solar salt enhanced with calcium chloride flake and potassium chloride
- Safer for the environment
- 10 lb. easy-pour shaker 10, 20 and 50 lb. poly bags, 45 lb. plastic pail, 50 lb. carton, 100 lb. Enviro-drums, and 2,000 lb. supersack

SURE GRIP ICE MELT WITH TRACTION CONTROL

-10°

- Environmentally friendly
- Calcium encapsulated medium grade solar salt enhanced with calcium chloride flake and traction control crystals
- Prevents ice and snow from re-bonding
- Fast, effective ice melting compound
- An economical alternative
- 20, 50 lb. poly bags, 45 lb. plastic pail, and 2,000 lb. supersack

QUAD*^MMELT "ULTRA" W/CMA

0°

- Formulated using Quadramax technology to maximize product performance and safety
- Non toxic, propylene glycol encapsulated pink medium grade solar salt enhanced with CMA (Calcium Magnesium Acetate).
- Melts ice on contact
- Low corrosive properties
- 50 lb. poly bags and 50 lb. carton, and 2,000 lb. supersack

HALITE ROCK SALT SODIUM CHLORIDE

-22°

- The lowest cost alternative
- High quality
- Consistent
- Provides instant traction
- Year-round uses
- Bold new packaging
- 10, 25 50, and 80 lb. poly bags

Milazzo Industries understands that customers want choices. Because we offer a multitude of products with varying levels of performance, you can rely on us for straight facts without smoke and mirrors. If you need a highly dependable supplier, sensitive to demand fluctuations due to even more unpredictable weather patterns, talk to us. With over 70 years experience, we're prepared to deliver the very best. Choose a company that prides itself on high quality products with a focus on customer satisfaction and service.
